MESSAGE FROM

Prof.(Dr.) Mohd. Javed
Vice-Chancellor

It gives me immense pleasure to disseminate this message in this info brochure, with firm faith in the saying that "Intelligence plus character is the goal of education". The major focus of the university is creating a platform for quality teaching and knowledge enhancement by bridging the gap between academic and industry. Being a strong believer and follower of dictum "Knowledge is power", Monad University has been on the path of delivering quality education and developing the students on the foundation of professional and moral values with emphasis on their core qualities and innovative skills. This University offers a number of Undergraduate, Graduate, Post-graduate and Doctoral programmes. The campus provides conducive ambience for the students and faculty in their academic activities with flexibility in the curriculum to achieve industry specific goals in employment. In addition, university has fully wi-fi enabled campus.

Our curriculum is extremely contemporary and is a culminated effort of great think tanks in the form of faculty members, experts from various industrial and research organizations. The university has well equipped laboratories, workshops and a number of well stocked libraries. University conducts various specialized programmes under eight schools. The university also conducts academic programmes under the auspices of statutory bodies like PCI, BCI, NCTE and COA. So, I welcome and exhort all the prospective students, who wish to take admission in this University. I am sanguine that all of you will feel proud on being associated with us. It is a great pleasure for me to welcome all the aspirants seeking admission during academic year 2019-20 to the creative & innovative world of Monad University for their bright future and successful career.

A WARM WELCOME FROM THE *"Board of Management"*

The Monad University is established by the UP State Govt. It is a member of "Association of Indian University (AIU)". It takes pride in itself being the only multi disciplinary campus in the NCR. It is spread over approximately 60 acres of land. The University encompasses a sprawling and lush green campus. The University emphasizes on multi disciplinary research and on being high class education provider. The prime focus is on holistic learning and cultivating competitive abilities in students. University provides facilities, ambience and organizational culture to nurture thinking and critical understanding needed in pursuit of professional knowledge and competence. It also aims at developing the student's multidimensional personality by continuous pursuit of knowledge, commitment to excellence and cultivation of moral ethical values. University wishes to make significant difference in the lives of the students by ensuring the development of all round personality and by mentoring. Our dedicated team of faculty is committed to ensure that our students are well trained and holistically developed to meet the challenges of their chosen profession. We welcome you to visit our campus
